### Message from Mrs Fearn:

Dear Parents and Carers,

Activities week has been fantastic whether the children were on the school site or on residential.

I joined Year 6 in North Devon who enjoyed paddle boarding, canoeing and archery to name but a few of their new skills!

We tested our bravery, resilience and, most importantly, had so much fun.

The weather wasn't great but we absolutely made the most of every minute.

I think we are all looking forward to having a restful weekend and catching up with some sleep!

To all the St Catherine's men, have a wonderful Father's Day.

Have a lovely weekend.

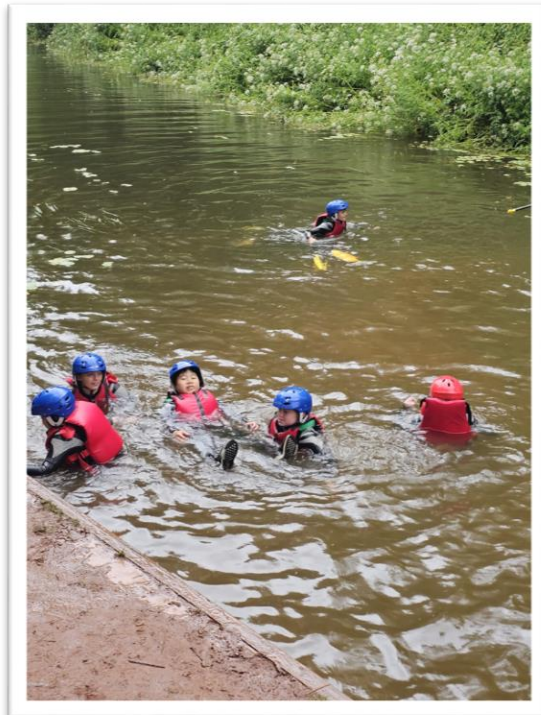

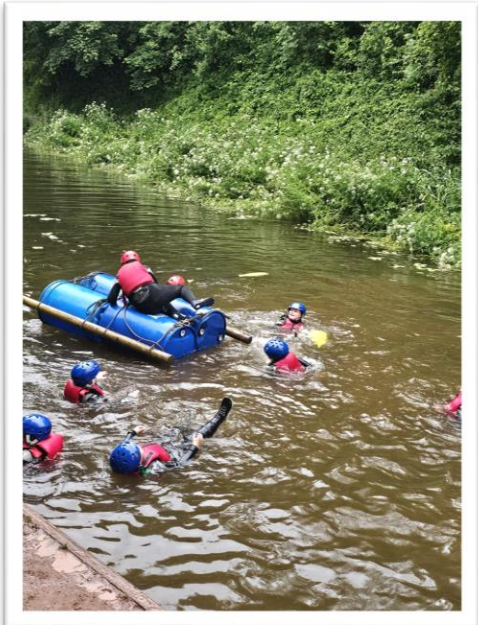

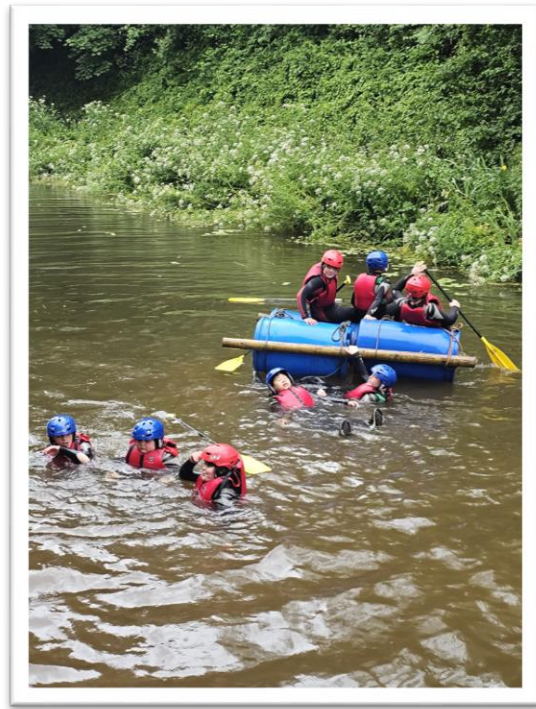

*P Fearn*

### Morning Drop Off

Please do not leave your child unattended in the mornings.

There must be a responsible adult with each child until 8.30am when teachers come to collect their classes.
