

Monday 20<sup>th</sup> April - Home learning English task.

What is it?

Year 1 can you help me? Yesterday I was walking in a field near my house when I came across these. They look like eggs but I am not sure.

Task: Can you think of some questions to ask to find out more information?

**Remember a question always ends in a question mark ?**

**They start with our questions words - who, where, what, why, when, how, do you know.**
