## Message from Mrs Fearn:

We've had a great week and the children are enjoying their.

This week we have been discussing British Values and classes are voting for new Student Councillors.

We look forward to sharing our class representatives with you next week.

Best wishes,

*P Fearn*

## Celebrations at St Catherine's

Every child has the opportunity daily to be rewarded for their positive "can do" attitudes. On a Friday we celebrate two children from each class. We have the Super Citizen award.

The class teaching team selects a child who has demonstrated positive learning attitudes. We also have the Branches of Love award. The children vote anonymously for a member of the love who has been living the Gospel values.

These children are celebrated during Assembly and then have a special session with Mrs Fearn to celebrate their success!

## Branches of Love

## Jewellery:

The only item of jewellery that may be worn in school is a watch. If your child is wearing a necklace, bracelet or rings these will be put in an envelope and kept in the office for you to collect after school.

Only plain stud earrings may be worn.

## PTFA:

Our brilliant PTFA will be holding a Second Hand Uniform sale after school next Friday 29<sup>th</sup> September.

## PTFA News

Welcome back to school everyone, well we have got some exciting times ahead of us and loads to look forward to.

We had our first PTFA meeting last week, which was fantastic.

I would like to say a big thank you to everyone who attended. It was a very positive meeting with great ideas and everyone was so friendly.

We had a really good turnout of parents and grandparents. But it would be amazing if we could encourage more people to join.

All the money that is raised by the PTFA is only for the children. The PTFA funded Bell tents which are used for residential courses at school.

We help with transport costs so the parents don't have to pay extra. Christmas crackers, selection boxes and play equipment.

We just need some help from you guys, a little or a lot we would love you to join us.

Come and chat to me in the playground or check out our FaceBook page

## Kids Corner:

Ash Class have been learning about the Stone Age in History. They have written a story about a person who falls and falls back in time to the Stone Age. They particularly liked learning about furs.

Theo liked learning about how they got furs.

Peter liked writing the story.

'Joke' from Peter D:

How do Octopi get to school?

On an OctoBus!!
