### **Message from Mrs Fearn:**

Dear Parents and Carers,

Our children are very focused on their learning and showing great positive attitudes using our characteristics of effective learning.

I had a super time with Sycamore class this week playing team games in PE and classifying trees in Science.

We hope you all enjoy a relaxing bank holiday weekend.

### **New Neighbours at Forest School**

We are delighted to welcome Mrs Jenny Wren to our Forest School area. Evidently, Mr Wren built eight or nine nests for Mrs Wren to chose from and she chose to live and raise her family in our Forest School area. We will keep an eye on the Wren family and update you.

Ruby liked finding out the names of the capital cities

### *Kids Corner:*

Hazel Class have used their IT skills to research different countries and find out interesting facts.

In PE they have been learning tennis (and losing plenty of tennis balls along the way!)

Arthur liked learning ball control

Congratulations to Amelia, Betsy and Evlyn for their brilliant designs.

They each received a £5 Works Voucher. Well done!

My name is Katherine and I am writing to you on behalf of the Bridport Ladies Circle - a local non-profit organisation and part of the family with Round Table.

We are organising a Fun Run for children age 2-11 on Sunday 12 May 2024 between 1pm and 3pm. This year we are raising money for Cancer Research UK and UNICEF.

The Fun Run will be taking place at Bridport Rugby Club. It costs £2 per runner though we welcome all children to run, ski, walk and enjoy! There will be stalls, games and a lot of local businesses have donated fantastic prizes for the tombolas and raffle.
