Having a clear out?

You may be having a spring clean and be thinking of ditching some of your old clothes. If so, please put them in a carrier bag, tie it up and put it in the box (pictured above).

It's great for the environment, great for our school (we raise money with every Kilogram collected) and great for you to get some more space!

Books for All!

Please have a look at the book boxes outside the library every day! Pick one or donate one or both!
