Message from Mrs Fearn:

Thank you so much for supporting our children with Break the Rules Day! The children enjoyed sharing their outfits in this morning Assembly.

Thank you to the PTFA team for their organisation of the event.

We were very lucky to have a workshop with The Benedetti Foundation who created some beautiful music with KS2 earlier this week. The children enjoyed the experience.

We are looking forward to Hazel Class creating a 'Play in a Day' with Konflux Theatre Group on Monday which is linked to their learning next half term.

Finally, Parents Evenings are next week, and we would love as many of you as possible to come and meet the teachers.

Have a wonderful weekend.

Best wishes,

P Fearn

Flu Vaccines:

The whole school were very brave and had their vaccinations this week. Well Done!

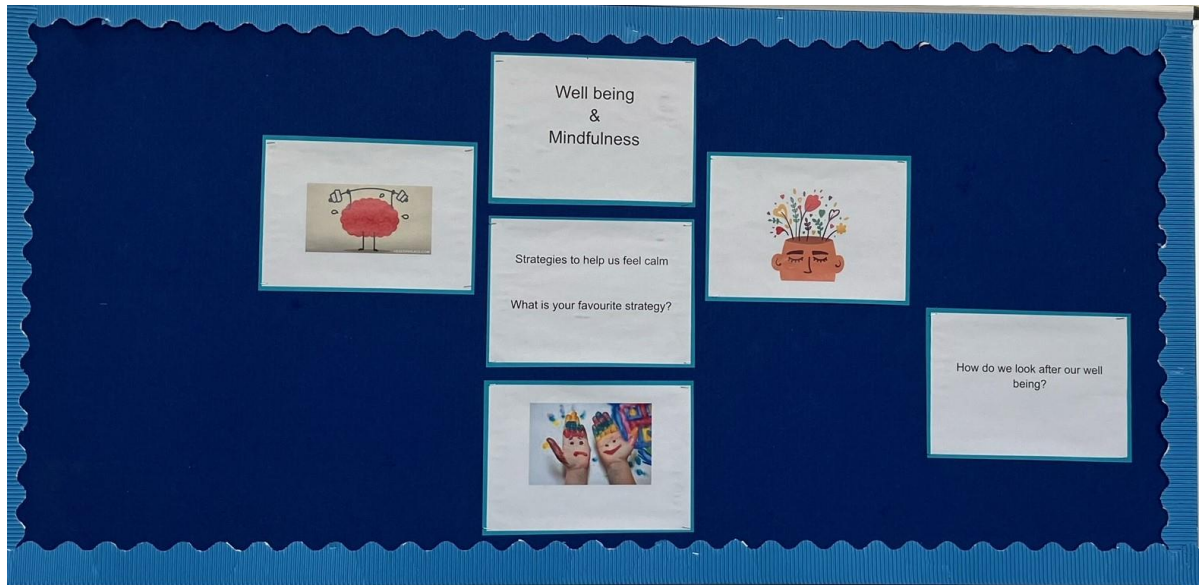

Scooters and Bikes:

Scooters and bikes should always be pushed on school grounds. Please make sure your child has a helmet and scoot/bikes safely.

Hello Mrs Bartlett!

We are so happy to welcome Mrs Bartlett to the St Catherine's Community. Mrs Bartlett will be working with Mrs Middleton in Sycamore Class. Mrs Bartlett is coming in next week so we can introduce her and she can get to know us.

Please try these strategies to support our Well Being at home.

Attitude of gratitude

Ask the children to focus on their breathing. If they want to, they can close their eyes.

Encourage them to think of one thing that they are grateful for and encourage them to keep this image in their mind.

Ask them to notice any feelings or sensations that arise. Continue this for a few minutes.

You could also run this as a writing activity, using the following sentence starters: - Something I am grateful for today is... - The best thing that happened today

Goodbye to...

Mrs Daubney

We are so sorry to say goodbye to Mrs Daubney who leaves us after seven years helping make sure our lunches are served hot and our playtimes are well supervised.

Mrs Derrien

We would like to thank Mrs Derrien for looking after Sycamore Class so brilliantly. We will definitely see her again soon.

PTFA Meeting:

Our amazing PTFA are having a meeting on Wednesday 18th October 7pm in the George, South Street. They would love to see you there.

Kids Corner:

Oak Class have been learning Phonics.

Phonics is a method of learning to read by breaking words into sounds, such as digraphs (A digraph is two letters combined to make a single sound in written or spoken English. Ay, ai), trigraphs (A trigraph is a single sound that is represented by three letters, for example: In the word 'match', the three letters 'tch' at the end make only one sound) and split digraphs (A split digraph also contains two letters (a-e, e-e, i-e, o-e and u-e) but they are split between a consonant, for example; make, bike and pure.)
