Plymouth, Devon, PL5 3AG.*

Dear Parent/Guardian,

We know active, healthy children achieve more. At school, we have created an enabling environment where EVERY child feels included, valued, challenged and supported to achieve their maximum potential in PE, school and life. In school we use real PE lessons to develop their Fundamental Movement Skills and important life skills such as personal, social, cognitive and creative skills.

Our school also has home learning support through real PE at home where children can continue to be active through fun games and activities on their own and also with a sibling, parent, guardian or other family member.

Visit: real.jasmineactive.com/login

Your login details will be provided by your child's teacher via Google Classroom, please email your class teacher for these details if required.

When you log in you will see a video icon in the top left hand corner, please view this as it contains useful information on using the real PE platform at home. You can also click [here](#) to view more information. We hope you enjoy exploring real PE at home and have fun playing the games and activities.

Kind regards,

Mrs Blake & Mr Toohill
