If Your Child is Unwell

There are quite a few nasty bugs going around at the moment. Please encourage your child to wash their hands. Well and often. Please don't allow your child to bring in toys from home.

Message from Mrs Fearn:

Dear Parents and Carers,

Welcome back and aren't we all glad there is some dry weather! We have been able to use the school field and make full use of the new playtime equipment which was paid for by XX

The children have come back to school with a positive attitude towards their learning, which is fantastic to see.

P Fearn

On the Road

Mrs Treble has been very busy in the Oak Class outside area.

Oak Class now have a very smart, bespoke road for them to drive on.

Michael
liked the
mud!

We have all enjoyed trying out our new road!

Kids Corner:

Oak Class have had a very busy week. We have completed some lovely writing in our Phonics sessions.

In Forest School we planted seeds and looked for frog spawn, until we realised the fish liked to eat it so we will be observing frog spawn in our classroom instead!

Harry liked the
pond

Please remember to bring in any School in a Bag sponsorship money by Tuesday 23rd April
