Message from Mrs Fearn:

Dear Parents and Carers,
What a great week we have had at St Catherine's for our last week of this half term.

We invited parents to an Oak Class learning session and all parents and carers were invited to an Information Meeting about Multiplication Checks. Thank you for coming along, we hope you found the information useful.

Enjoy the half term holidays, we will see you all back at St Catherine's on Monday 19th February.

Parking around St Catherine's School

Please can we ask parents and carers, again, to please drive and park sensibly and safely around the school.

Some parents and carers drive quite fast, some mount the pavement and some double park, or park on the zig-zag markings.

This just makes it really dangerous for the children who are coming into or leaving the school. Please be aware – thank you.

In **Sycamore Class**, we have been finding out about the abstract artist Jackson Pollock who used drip, splatter and pour techniques.

The children really enjoyed exploring how to get the right consistency to drip their paint and move it around by tipping the paper.

Forest School:

Next half term each class will have a forest school session and we will be inviting Parents and Carers to join us.

PE Schedule:

The PE Schedule will be shared next week.

Hazel Class have been learning how to create a printed representation of part of the Bayeux Tapestry, which depicts the Battle of Hastings and William the Conqueror winning the battle.
